ADVICE FOR KEEPING CHILDREN & YOUNG PEOPLE SAFE

SUPERVISED ACCOUNTS ON YOUTUBE

Offering restricted features and digital well-being safeguards. Equipped with content controls suitable for pre-teens and beyond. Monitored accounts provide content settings in line with typical age ratings for viewers aged 9+, 13+, or the majority of YouTube content, excluding age-restricted material.

CHOICES FOR CONTENT SETTING...

- Explore:** Ages 9+. Features a range of vlogs, tutorials, gaming videos, music videos, news, educational content, DIY, arts and crafts, dance, and more. No live streams.
- Explore more:** Ages 13+. This setting will include a larger set of videos – including live streams.
- Most of YouTube:** Includes almost everything on YouTube, excluding content marked 18+ by channels.

FEATURES SUPPORTING WELLBEING

- Take-a-break notifications are set every 75 minutes ages 13-17 have them "on" by default.
- Bedtime reminders are set for 10pm, ages 13-17 have them "on" by default.
- The autoplay feature enables another related video to automatically play after a video ends, but this feature is turned off by default for users under 17 years old.

CREATE A SUPERVISED ACCOUNT

- From YouTube or YouTube Music on a parent's device.**
1. Using the Google Account that you use as a parent manager of your child's account, sign in to one of the following:
 - YouTube app or website
 - YouTube Music app or website
 - YouTube app on a Smart TV or streaming device
 2. Go to your profile picture
 3. Select Settings .
 4. Select Parent Settings.
 5. Select your child and follow the next steps.

CREATE A SUPERVISED ACCOUNT

- From the Family Link app:**
1. Sign in to your Family Link app .
 2. Select your child.
 3. Select Controls Content restrictions YouTube YouTube and YouTube Music.
 4. Follow the on-screen instructions.

START THE SUPERVISED EXPERIENCE

- To begin the supervised experience on YouTube:**
1. Update apps: If your child uses a mobile device, make sure that all of their YouTube apps are up to date.
 2. Sign in: Sign your child in to YouTube on all of the devices that they use.
- There are several parental controls and settings available for your child's supervised experience.

ENGAGING IN OPEN DISCUSSIONS WITH CHILDREN ABOUT THE INTENT BEHIND CONSIDERING A SUPERVISED ACCOUNT IS CRUCIAL. THE PURPOSE IS NOT TO EXERT CONTROL BUT RATHER TO ENSURE THEIR SAFETY.

Take time to check it out for yourself. Always promote yourself as a source of support, and someone to talk to if a child or young person has any concerns.
